## A Word From The Grand Knight

Greetings All,

As I sit and write this our annual chicken dinner with the cooperation of the Ursuline Alumni Association is this weekend, and by the time you read this it will be over, I hope and pray for another successful event.

Also please plan on attending our Mothers Day breakfast, where all Mom's eat free. I would like to thank Kenny Fitzgerald for chairing this event and all our brother knights who kick in and help.

All members please plan on attending our monthly meeting on Thursday the 15th, as elections will be held on that night for all council positions, it would be nice to see a crowd there to take interest in who guides our council into the future.

Our members are what make our club the special place that it is and I thank you all, and May God continue to shine on our club. God Bless You All!

Tom Kohlrus, Grand Knight

### KC 4175 Prayer Vine

1 Thessalonians 5:17 "Pray without ceasing." In Thessalonians Paul had a very simple message. Never stop praying. As members of the Knights of Columbus we are members of Christ's church and it is our calling to serve Him in prayer. We must pray for one another and any of His children that need our prayer. It is in that spirit that we have the KC 4175 Prayer Vine.

There are two parts to the Prayer Vine. First, we need people to pray. If you are a Knight or member of the Women's Auxiliary Council and would like to pray for your fellow brothers and sisters I ask that you submit an email to the below address and ask to be added to the prayer chain. When a prayer request is received an email will be sent out letting you know what prayers are needed.

Second, we need requests for prayer. You can do this by sending a message to the following email address as well. You can leave as little or as much information as you wish. If you do not want your name listed in the request simply state that fact and everything will remain confidential. The only person who receives the request is the webmaster and he will not release any information that is deemed confidential.
